My Class is called

Ant class

My teacher is Mrs Marshall

Mrs O'Dwyer is the ELSA, she might work with me.

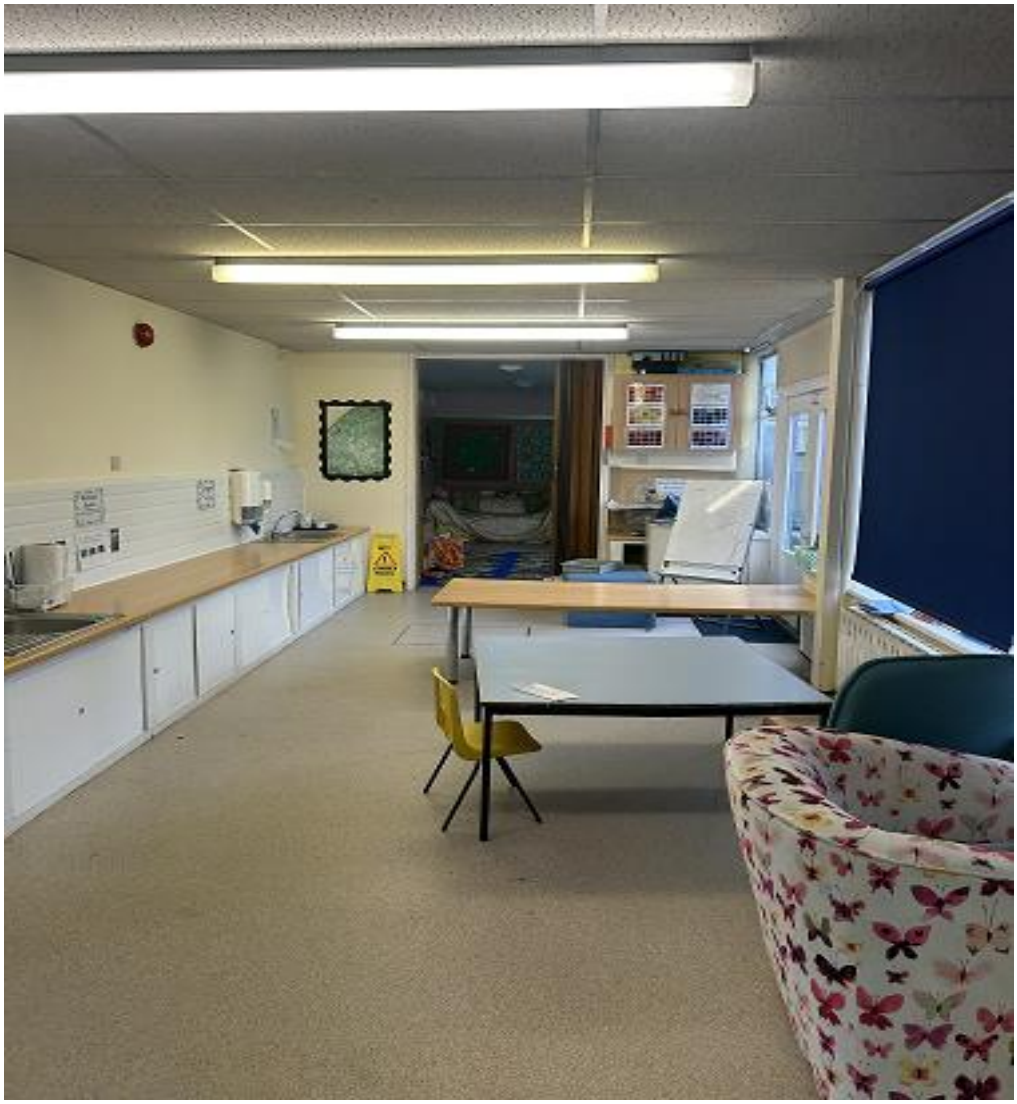
This is my classroom

In the morning and at playtimes I come in through this door.

I hang up my coat on the coat pegs and go into the classroom to choose my dinner.

The toilets are next to the coat pegs.

Just Outside my Classroom is the art area where we do paintings and other art work.



We have a courtyard where we can play and learn.

We have 2 playgrounds to choose to play on at playtime.

The quiet playground for quiet games.

The active playground for running and noisy games.

We have a lovely library with lots of books to read.

This is the Hall where we have assemblies, eat our lunch and do P.E .

We will have lots of fun in Ant class!
